

# Quality Policy

**JPS COMPOSITE MATERIALS recognizes that our greatest assets are our associates and customers. At JPS, our Quality Policy summarizes the essential elements of our commitment to excellence and includes:**

- ❖ **Fostering a quality culture with the objective of developing, manufacturing, and providing products that are trusted and preferred by our customers in a global market.**
- ❖ **Delivering our customers a technically superior substrate on time and as ordered.**
- ❖ **Establishing relationships with customers through enhancing and developing products to meet changing market demands.**
- ❖ **Providing associates with an environment which encourages safety and process ownership.**
- ❖ **Meeting or exceeding our commitments to all interested parties.**

**We will combine commitment, intensity, and teamwork, with continuous improvement to drive us forward as we develop our associates and strengthen our business for the future.**
